### **ABOUT THE UNIVERSITY**

Maharashtra National Law University Mumbai, established under the Maharashtra National Law University Act 2014 on 20th March 2014, is one of the premier National Law Universities in India. The Act envisaged to establish National Law University in Maharashtra to impart advanced legal education and promote society-oriented research in legal studies for the advancement of the societal life of the people in the country. The prime goal of the University is to disseminate advanced legal knowledge and processes of law amongst the students and impart in them the skills of advocacy, legal services, law reforms and make them aware and capable of utilizing these instruments for social transformation and development.

### **ABOUT THE PROJECT**

This research aims at a comprehensive assessment of the impact of Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021 (hereinafter referred as Intermediaries Guidelines of 2021) on Social Intermediaries for data protection in India, focusing on their socio-economic impact. With the rapid advancements in digital technologies and the consequent proliferation of data-driven systems, robust measures

to protect personal data and privacy have become imperative. In response, the Government of India has made amendments in law to regulate data protection and localization practices.

### **APPLICATION PROCESS:**

1. All the applicants are required to apply by 15<sup>th</sup> November, 2023, 11:59 p.m. Application beyond this date and time shall not be accepted.
