ABOUT THE UNIVERSITY

Maharashtra National Law University Mumbai, established under the Maharashtra National Law University Act 2014 on 20th March 2014, is one of the premier National Law Universities in India. The Act envisaged to establish National Law University in Maharashtra to impart advanced legal education and promote society-oriented research in legal studies for the advancement of the societal life of the people in the country. The prime goal of the University is to disseminate advanced legal knowledge and processes of law amongst the students and impart in them the skills of advocacy, legal services, law reforms and make them aware and capable of utilizing these instruments for social transformation and development.

ABOUT THE PROJECT

The Commission is initiating a research project on “Compensating victims of crime: A Pan India Study of Victim Compensation Schemes & Their Effectiveness” in collaboration with Maharashtra National Law University. The

study is intended to examine the formation as well as implementation of Victim Compensation Procedures in India. This would enable the research to delve into effectiveness of the same and devise a model for improving its application to cater the needs of crime victims, availing remedy under such schemes.
