Centre for Training & Research in Commercial Regulations, MNLU Mumbai

About Maharashtra National Law University, Mumbai

Maharashtra National Law University Mumbai, established under the Maharashtra National Law University Act 2014 on 20th March 2014, is one of the premier National Law Universities in India. The Act envisaged to establish National Law University in Maharashtra to impart advanced legal education and promote society oriented research in legal studies for the advancement of societal life of the people in the country. The prime goal of the University is to disseminate advance legal knowledge and processes of law amongst the students and impart in them the skills of advocacy, legal services, law reforms and make them aware and capable to utilize these instruments for social transformation and development.

About Centre for Training & Research in Commercial Regulations

The Centre functions with a vision to be a pivot for discussion, training, and research in areas of commercial law and related areas. The Centre was established to provide an environment of debate, discussion, research, and training in corporate law and the areas intertwined with it by bringing together academicians, professionals, legal experts, economists, regulators, judges, and students to discuss, debate, and spread awareness about recent changes and challenges faced by different businesses in the Indian and international markets. With the objectives in mind, the Centre has conducted training workshop for students and professionals alike, taking its vision ahead.
