OCTOBER 22nd & 23rd , 2021

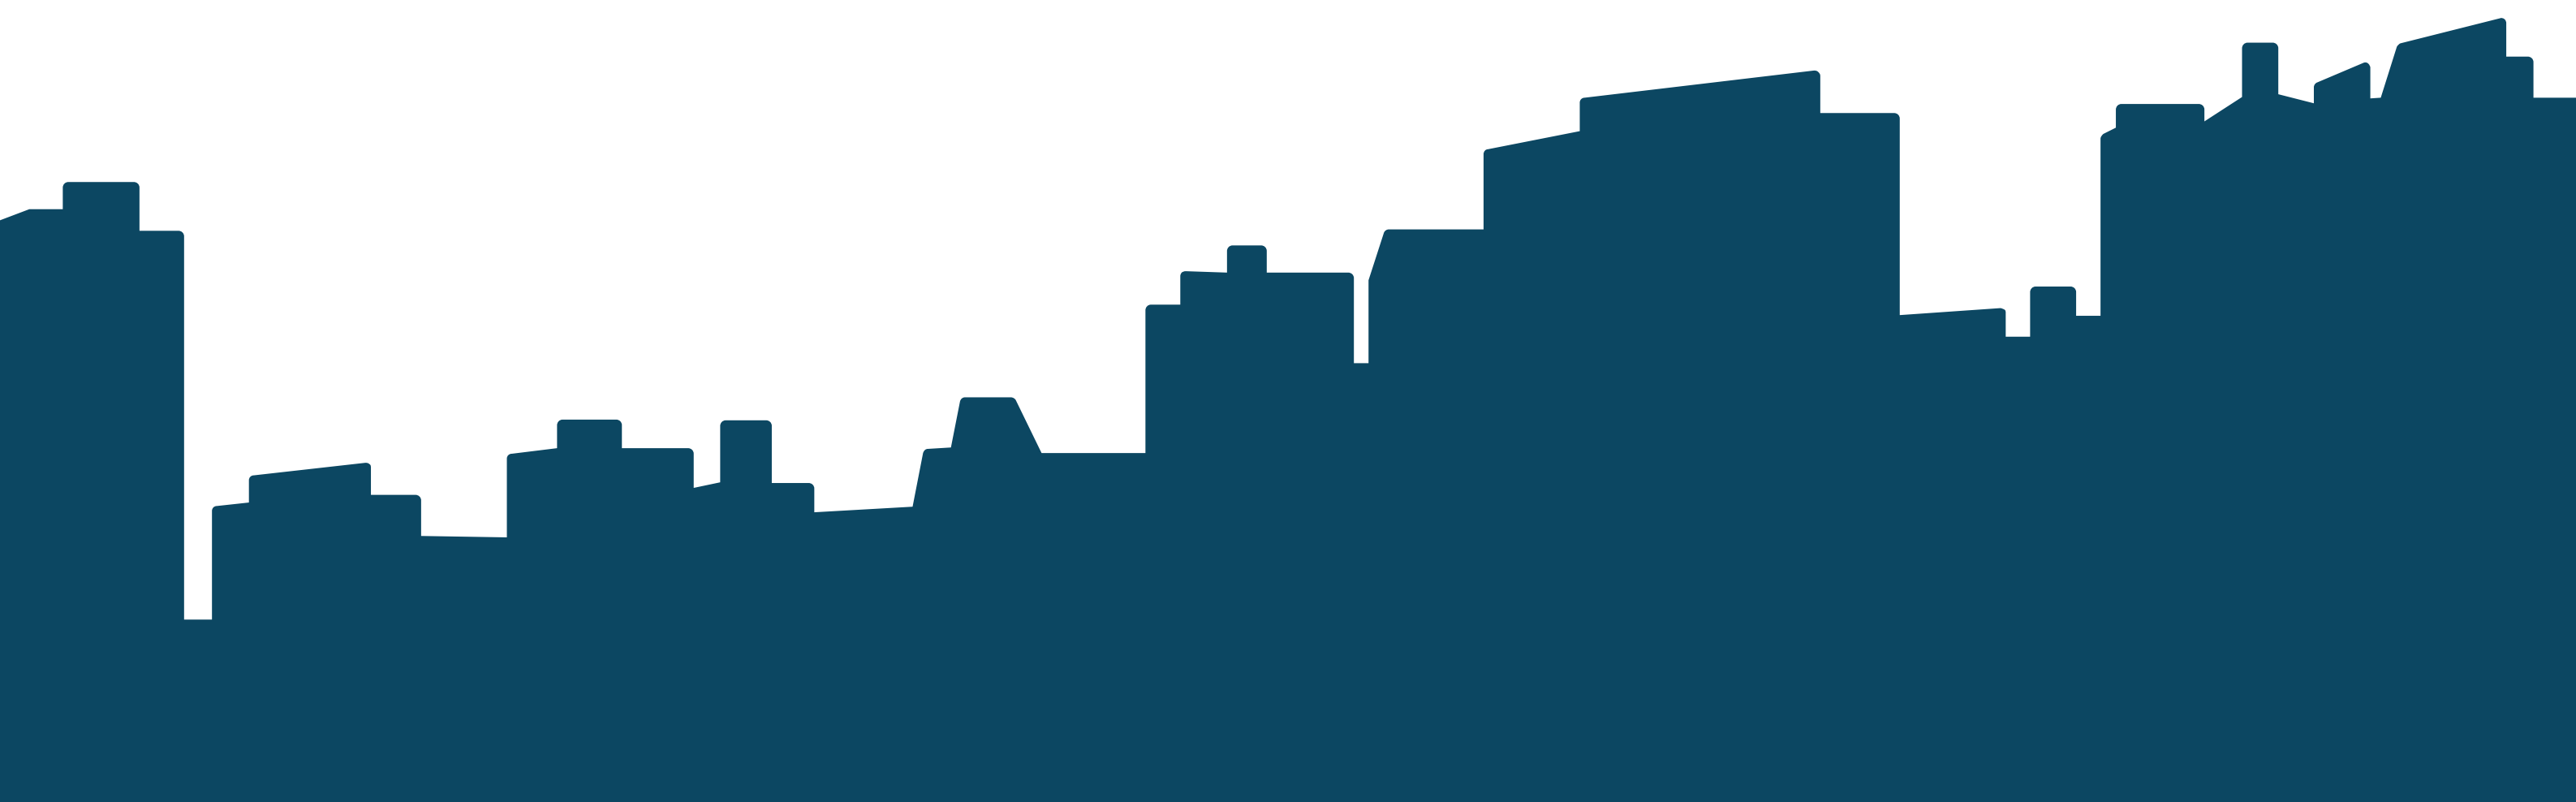

ABOUT MNLU MUMBAI

Maharashtra National Law University Mumbai is established under Maharashtra National Law University Act 2014. Since its inception in 2015, the University has made serious and sincere efforts to excel in the field of legal research and education. In recent years the University has taken long strides in areas of research and has established Research Centres in the University. The prime goal of the University is to impart advanced legal education and promote society oriented research in legal studies

ABOUT NISM

The National Institute of Securities Markets is a public trust established in 2006 by the Securities and Exchange Board of India, the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels aimed at enhancing the quality standards in securities markets. The institute's six schools of excellence work in synergy towards creating professionalized securities markets.

NISM has embarked on a fast track expansion of its activities, both domestically and internationally, which will position the institute as a leading global player in knowledge dissemination and skills enhancement in the financial markets domain.

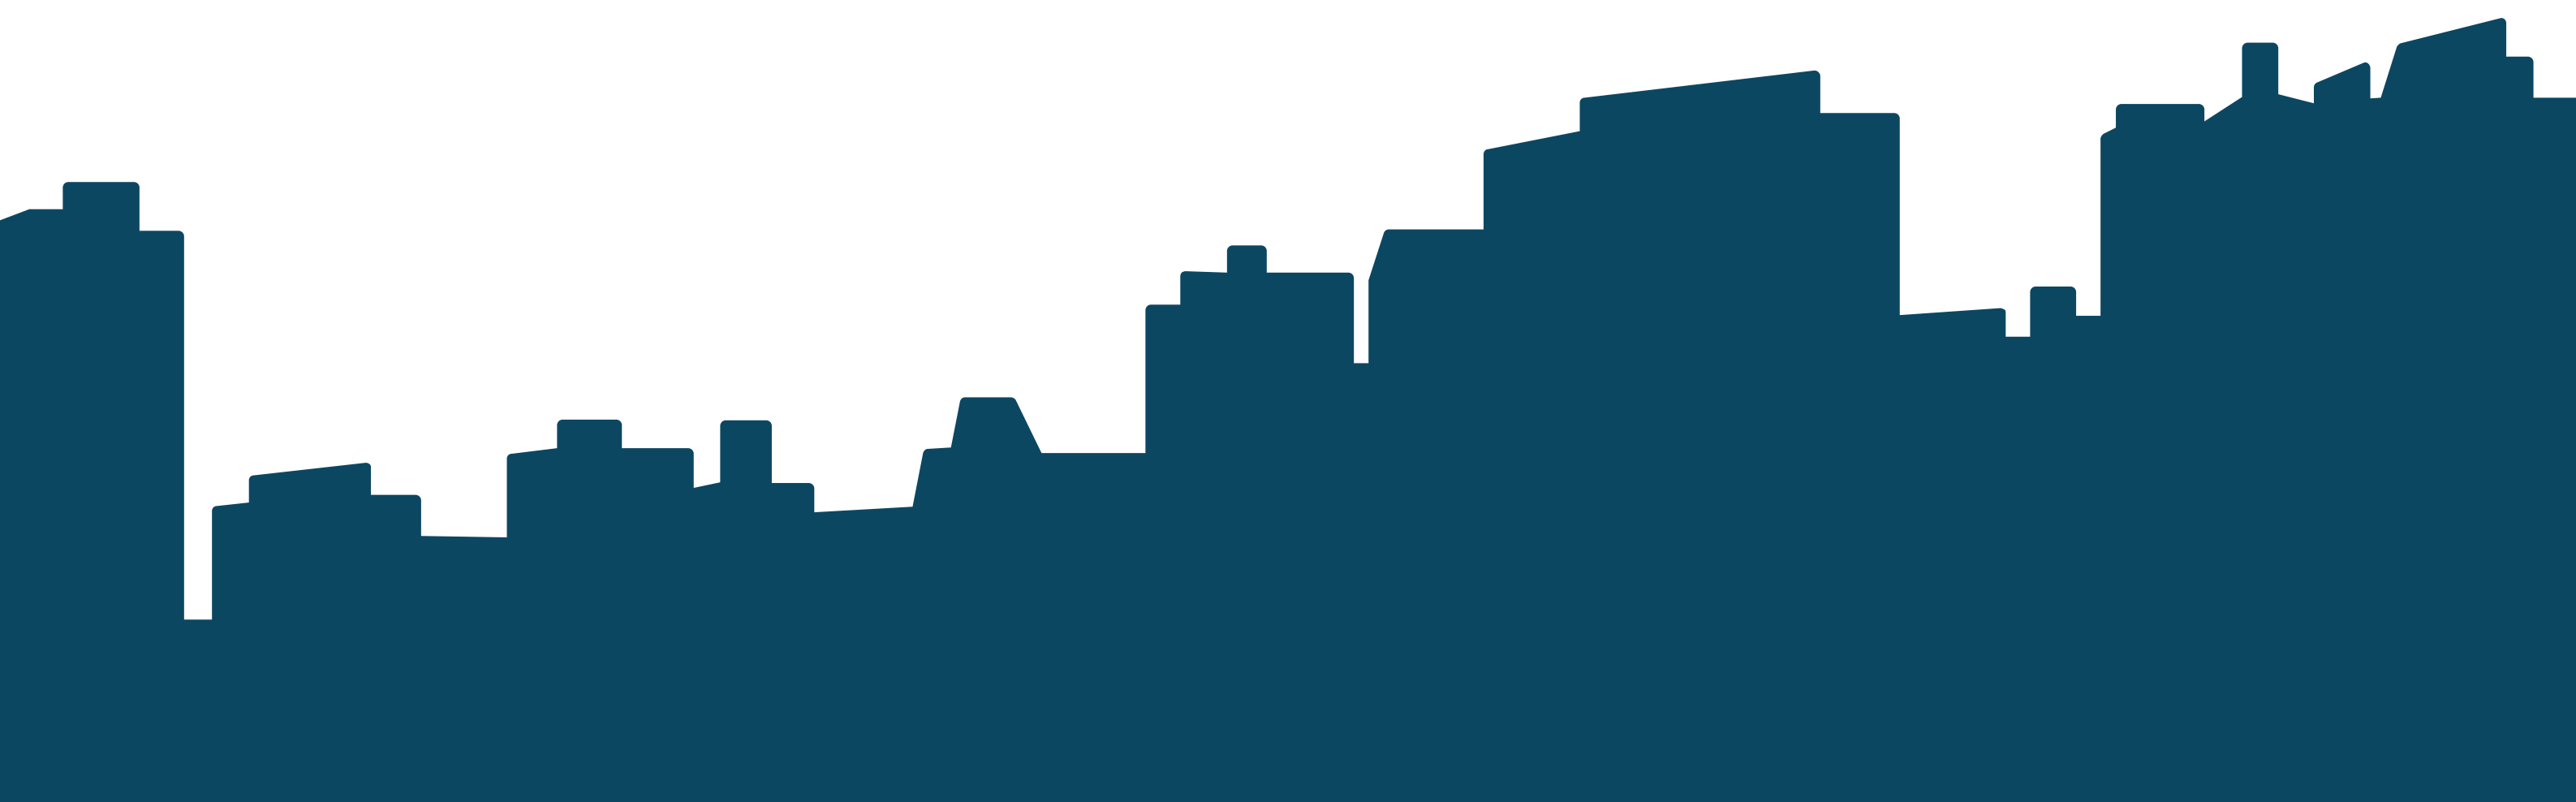

The Institute currently offers a Two year Post Graduate Diploma in Management (Securities Markets), One year LL.M. Degree in Investment and Securities Laws and One year full time Post Graduate Certification in Securities Market (PGCSM).

The Institute also conducts capacity building programs among the stakeholders in the securities markets through professional education, financial literacy, enhancing governance standards and fostering policy-based research in Securities Markets.

ABOUT HVPS COLLEGE OF LAW

Hindi Vidya Prachar Samiti's (HVPS) College of Law was established in the year 2017 under the HVPS trust with the prime objective of imparting legal education among the masses. The college has gained a high amount of goodwill within a very short span of time by furnishing quality legal education. The college is also instrumental in conducting different programs based on various legal themes to create mass legal awareness. In the academic year, 2020-21 the college introduced a full-time 2-year post-graduate law course (L.L.M.) to its curriculum.

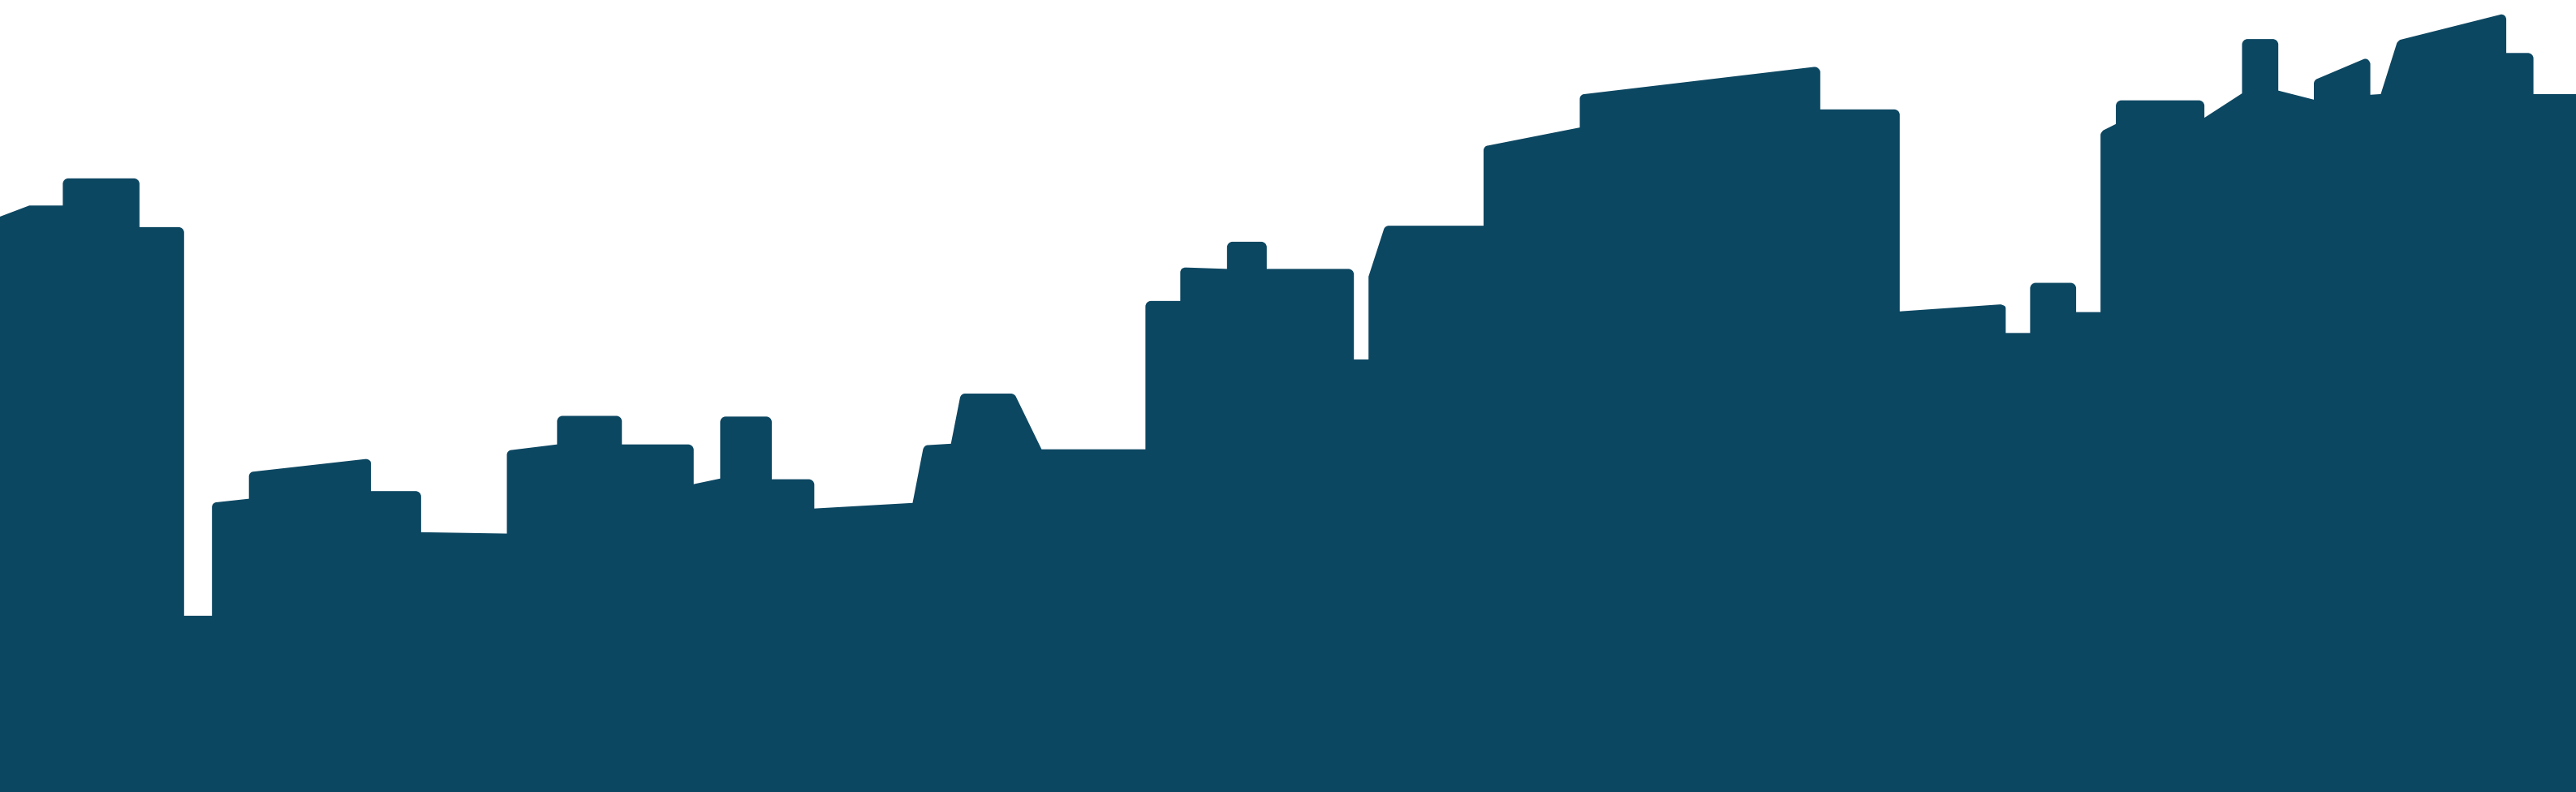

ABOUT THE CONFERENCE

The conference is hosted to develop and sustain interest in competition law and to create a critical mass of antitrust researchers in India. The key objectives of the Conference are to stimulate research and debate on contemporary issues in the field of competition law, to develop a better understanding of competition issues relevant to the Indian context and to draw inferences of enforcement of competition law in India. The Conference is expected to cover a wide range of related themes.
