ABOUT THE CONFERENCE

The Centre for Advanced Training in Taxation Laws is excited to announce its upcoming Tax Law Conference, which will be held on the 22nd of April virtually. The conference aims to provide a platform for tax professionals, students, and enthusiasts to come together and discuss the latest developments and trends in the field of taxation.

The conference will feature keynote speeches by eminent tax experts and presentations by research scholars and students. It will cover a wide range of topics, including tax policy, tax planning, tax compliance, tax administration, and international taxation.

The first phase of the conference will begin with the keynote address by renowned tax experts to set the tone for the rest of the conference. The second phase of the conference will focus on research paper presentations by scholars and students. This will be an excellent opportunity for young researchers to showcase their work and receive feedback from their peers and senior researchers.

THEMES

- Goals of Taxation Systems
- Exemptions, deductions and rate structures
- Taxation and Constitutionalism
- Basic concepts of income taxation in India & Salary income
- Income from house property, business income, capital gains & income from other sources
- Fundamentals of GST in contemporary era
- International Taxation patterns
- Taxation of cross-border transactions
- Tax planning, avoidance and evasion
- Impact of Section 115BAC on Taxation system or policies.

Please note that the list of sub-themes are merely suggestive and nonexhaustive in nature. The authors can choose to submit manuscripts on other relevant and contemporary topics.
